ACREAGE: 110 | ACQUIRED: 2022

DEKALB COUNTY

This urban preserve was the grounds of the former Greenhurst golf course. When the property went up for sale in 2013, Abby and Mark Millett and Rick and Vicki James worked to ensure the green space would remain intact. They purchased the property and opened paved trails for the community to enjoy. To ensure the natural area would continue to benefit the community for generations to come, they decided to donate the land to ACRES in 2022.

The natural area supports a variety of wildlife, and visitors will notice native habitat reclaiming the fairway. Cedar Creek flows through the preserve which also includes a pond.

The entire trail system is paved, making it suitable for wheelchair and other mobility devices, as well as bicycles.
